ANNUAL REPORT TO PARLIAMENT

ACCESS TO INFORMATION ACT

(APRIL 1, 2020 – MARCH 31, 2021)

FOREWORD

This Annual Report to Parliament has been prepared in accordance with Section 94 of the *Access to Information Act* (the “Act”). It is intended to describe how Revera Inc. (“Revera”) administered its responsibilities in relation to the Act for the reporting period from April 1, 2020 to March 31, 2021 (the “reporting period”).

Annual Reports are to be tabled in Parliament in accordance with section 94 of the Act.

MANDATORY REPORTING REQUIREMENTS

1. INTRODUCTION

1.1 SUMMARY

The purpose of the Act is to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific, and that decisions on the disclosure of government information should be reviewed independently of government.

This Act is intended to complement and not replace existing procedures for access to government information and is not intended to limit in any way access to the type of government information that is normally available to the general public.

1.2 MANDATE

Revera is a leading owner, operator, investor in, and developer of the senior living sector. Through its portfolio of partnerships, Revera owns or operates more than 500 properties across Canada, the United States and the United Kingdom, serving more than 55,000 seniors. Revera offers seniors' apartments, independent living, assisted living, memory care, and long-term care. With approximately 50,000 employees dedicated to providing exceptional care and service, Revera provides seniors with choices that help them do more of the things that bring joy to their lives. Through Revera's Age is More program, Revera is committed to challenging ageism, Revera's social cause of choice.

2. STRUCTURE OF THE INSTITUTION TO FULFILL ITS RESPONSIBILITIES

Revera is a wholly-owned subsidiary of the Public Sector Pension Investment Board ("PSP Investments"). The Access to Information and Privacy (ATIP) Office at Revera consists of an Access to Information and Privacy Coordinator, who is also Revera's Privacy Officer, and an Assistant Privacy Officer (Canadian Operations). There are no regional ATIP staff. There are no service agreements under section 96 of the Act to which Revera was party during the reporting period.

and its Wholly-Owned Subsidiaries

4. INTERPRETATION OF THE STATISTICAL REPORT

Revera received nine requests for information under the Act during this reporting period. Seven of the requests were closed during the reporting period, with the two remaining requests carried over to the

next reporting period. 100% of the seven requests were closed within the legislated timelines. Two of the requests were completed within 30 days; four of the requests were completed within 60 days; and one of the requests was completed within 120 days. The percentage of requests for which records were disclosed in part was 42.8%; with 42.8% of the requests for records exempted; and 14.2% for which no records existed.

Extensions were taken on four of the requests pursuant to section 9(1)(a) of the Act on the basis that these requests necessitated a search through a large number of records in multiple locations, and meeting the original time limit would have unreasonably interfered with Revera's operations.

In the past 6 years, Revera has received three requests for information under the Act, all during the 2016/2017 reporting period. Due to the exceptional circumstances surrounding COVID-19 and the limited number of access to information requests received in the ordinary course of Revera's business, no meaningful trends can be identified.

No consultations were received or completed during the reporting period.

The Statistical Report and Supplemental Statistical Report on the *Access to Information Act* for 2020-2021 are attached.

While COVID-19 did not have an impact on Revera's ability to fulfill its responsibilities under the Act, it caused minor delays in gathering responsive records as staff were performing essential services during the pandemic.

5. ACCESS TO INFORMATION-RELATED EDUCATION AND TRAINING ACTIVITIES UNDERTAKEN BY ATI STAFF AND PROVIDED TO INSTITUTION'S EMPLOYEES

Revera has not undertaken any education, training or awareness activities related to access to information for the reporting period.

6. OVERVIEW OF NEW AND/OR REVISED INSTITUTIONAL ACCESS TO INFORMATION ACT RELATED POLICIES AND PROCEDURES IMPLEMENTED DURING THE REPORTING PERIOD

Revera did not implement any new or revised access to information policies, guidelines, procedures, or initiatives during the reporting period.

PSP Investments has adopted an internal procedure for handling access to information requests upon becoming subject to the Act. As part of a revision process, the procedure was revised on January 15, 2013. The same procedure is applied for the handling of access to information requests that may be received at Revera.

7. COMPLAINTS OR INVESTIGATIONS

Revera did not receive any complaints and no audits or investigations were concluded under the Act during the reporting period.

8. MONITORING OF TIME PROCESS FOR REQUESTS

In the ordinary course of its business, Revera very rarely receives access to information requests. As a result, there is no formal procedure in place to monitor the time taken to process these requests and the level of officials advised. Generally, when access to information requests are received, the Access to Information Coordinator or Assistant Privacy Officer monitors the time taken to process these requests manually, and notifies appropriate members of Revera's senior leadership team of these requests. The time taken to process these requests is then recorded in tracking charts maintained by the ATIP Office. Notwithstanding the significant increase in the number of access to information requests received during this reporting period as a result of the exceptional circumstances surrounding COVID-19, Revera's ATIP Office was able to fulfill its responsibilities under the Act in accordance with its general practices, despite minor delays incurred in gathering responsive records as staff were performing essential services during the pandemic.
