- Dr. Rhonda Collins, Chief Medical Officer, Revera**

August 14, 2020

We received notice today that Grey Bruce Health Unit has declared the COVID-19 outbreak at Pinecrest Manor Long Term Care Home in Lucknow to be over. The test results for the staff member were returned negative.

We appreciate the support of Public Health, our families and the local community as we worked to contain the spread of COVID-19 in the home.

We can assure you that we are not letting our guard down now that this outbreak is over. We will maintain our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear surgical masks at all times.

We are in the process of reaching out to the families of residents to inform them of the process for arranging visits.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
