

**Media Statement – Outbreak declared at Constitution Place Retirement Residence -
Mississauga**

- Dr. Rhonda Collins, Chief Medical Officer, Revera

December 12, 2020

Peel Public Health declared an outbreak at Constitution Place Retirement Residence in Mississauga on December 12 after one staff member tested positive for COVID-19. The staff member who tested positive is in self-isolation at home.

We are working closely with Peel Public Health officials and are following pandemic outbreak protocols and infection control practices. All residents are monitored closely for symptoms and all staff are screened at the beginning and end of their shifts. Staff providing care for residents in isolation (positive or symptomatic) wear appropriate personal protective equipment (PPE) which includes a mask, face shield, gloves and gown. All staff are required to wear a surgical mask in the residence at all times.

We continue to do enhanced cleaning at Constitution Place, disinfecting high touch surfaces like handrails and doors, resident rooms, common areas, and staff rooms more frequently.

To promote physical distancing, residents are being served their meals in their suites. Group recreation programming has been replaced by one-on-one activities with residents for social engagement.

We have informed residents, their families and the staff of the status of the outbreak. Visits have been cancelled during the outbreak, except for essential visitors providing direct care. We appreciate the patience and understanding of our residents and their families as we take these precautions. After the outbreak is resolved, we will notify families as soon as we are able to resume visits.

Revera continues to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our retirement residences and long term care homes.
