Alberta Health Services (AHS) today declared the COVID-19 outbreak at McKenzie Towne Retirement Residence in Calgary to be over.

We appreciate the support of AHS, our residents and families and the local community as we worked to control the spread of COVID-19 in the residence.

We can assure you that we are not letting our guard down now that this outbreak is over. We will maintain our vigilance, monitoring residents and screening staff and visitors for symptoms.

Staff will continue to wear appropriate personal protective equipment at all times.

Residents and their families have been notified that the outbreak has been declared over.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our retirement residences and long term care homes.
