On July 1, Haliburton, Kawartha, Pine Ridge (HKPR) District Health Unit declared the COVID-19 outbreak at Fenelon Court Long Term Care Home in Fenelon Falls to be over. We appreciate the support of Public Health, the community and our families during this outbreak, which began on June 11.

We can assure you that we are not letting our guard down now that this outbreak is over. We are maintaining our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear surgical masks at all times.

Any residents or staff displaying any potential symptoms will be placed in immediate isolation and tested for COVID-19.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
