

**Media Statement – Outbreak declared over at Harold and Grace Baker Centre – Toronto
- Dr. Rhonda Collins, Chief Medical Officer, Revera**

May 25, 2020

On May 24, Toronto Public Health declared the COVID-19 outbreak at Harold and Grace Baker Centre Long Term Care Home and Retirement Residence to be over.

Our hearts go out to the families and friends of the people we have lost to this unprecedented pandemic, and to those who suffered from effects of the virus and recovered.

We appreciate the support of Toronto Public Health, our families and the local community as we worked to contain the spread of COVID-19 in the home.

We would also like to thank the whole team at Harold and Grace Baker Centre for their tireless efforts and commitment to the care and safety of the residents.

We can assure you that we are not letting our guard down now that this outbreak is over. We are maintaining our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear surgical masks at all times.

Any residents or staff displaying any potential symptoms will be placed in immediate isolation and tested for COVID-19.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
