Today, the COVID-19 case has resolved at Poseidon Care Centre. We appreciate the support of Winnipeg Regional Health Authority, our families and the local community as we worked to contain the spread of COVID-19 in our home.

We can assure you that we are not letting our guard down. We are maintaining our vigilance, monitoring residents and screening staff for symptoms, and ensuring all infection control practices are in place.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care and retirement residences homes.
