May 18, 2020

Today, York Region Public Health declared the COVID-19 outbreak at Sherwood Court Long Term Care Home in Maple to be over. The staff member who had tested positive has recovered and is at home in isolation. We appreciate the support of Public Health, our families and the local community as we worked to contain the spread of COVID-19 in the home.

We can assure you that we are not letting our guard down now that this outbreak is over. We are maintaining our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear surgical masks at all times.

Any residents or staff displaying any potential symptoms will be placed in immediate isolation and tested for COVID-19.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care and retirement residences homes.
