- Dr. Rhonda Collins, Chief Medical Officer, Revera**

November 16, 2020

Today, we received notice from Region of Waterloo Public Health that the COVID-19 outbreak at Forest Heights Long Term Care Home in Kitchener is over.

We appreciate the support of Region of Waterloo Public Health, our residents and families and the local community as we worked to prevent any spread of COVID-19 in the home.

We can assure you that we are not letting our guard down now that this outbreak is over. We will maintain our vigilance, monitoring residents and screening staff and visitors for symptoms. Staff will continue to wear an appropriate mask and eye protection at all times.

We are reaching out to the families of residents to inform them that the outbreak has been declared over and that no residents were affected.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
