- Dr. Rhonda Collins, Chief Medical Officer, Revera**

October 19, 2020

We received notice on October 19 from Huron Perth Public Health that the COVID-19 outbreak at Hillside Manor Long Term Care Home in Stratford is over.

We appreciate the support of Huron Perth Public Health, our families and the local community as we worked to contain the spread of COVID-19 in the home.

We can assure you that we are not letting our guard down now that this outbreak is over. We will maintain our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear an appropriate mask and eye protection at all times.

We have reached out to the families of residents to inform them that the outbreak has been declared over and that no residents were affected. Visits will resume immediately.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
