

**Media Statement – Outbreak over at Miller Crossing Long Term Care Home – Edmonton
- Dr. Rhonda Collins, Chief Medical Officer, Revera**

October 9, 2020

We received notice from Alberta Health Services 9 that the COVID-19 outbreak at Miller Crossing Long Term Care Home in Edmonton is over. Both staff members who tested positive have recovered and no residents were affected.

We appreciate the support of Alberta Health Services and our families as we worked to prevent the spread of COVID-19 in the home.

We can assure you that we are not letting our guard down now that this outbreak is over. We will maintain our vigilance, monitoring residents and screening staff for symptoms, and ensuring that staff wear surgical masks and eye protection at all times.

We are in the process of reaching out to the families of residents to inform them that the outbreak has been declared over.

Revera will continue to do everything we can to keep our residents and employees safe as we work to prevent the spread of COVID-19 at our long term care homes and retirement residences.
