Revera Remembers: Poppy Fields Bloom Across Canada as Company Hosts Second-Annual Fundraising Initiative for The Royal Canadian Legion

17,000 poppies displayed coast-to-coast

Mississauga, November 9, 2017 – Revera, a leading owner, operator and investor in the senior living sector is proud to celebrate and honour Remembrance Day through *Revera Remembers*, the company's second-annual initiative in support of The Royal Canadian Legion. Last year, Revera raised more than \$20,000 in support of Veterans and their families, and is excited to build on their contributions with this year's fundraising initiative.

As part of *Revera Remembers*, Revera will commemorate the bravery of Veterans by displaying 100 resident-crafted poppies on the grounds of each of the company's retirement residences and long term care homes across the country – more than 17,000 poppies in all.

Revera's own Chief Elder Officer, Hazel McCallion, is at The Annex Retirement Residence in Toronto, Ontario today to help set up the display of poppies at the residence. "It's a privilege and honour to commemorate the bravery of our Veterans through this symbolic tribute," said Hazel McCallion.

Each residence will also host a fundraising event in support of The Royal Canadian Legion. Additionally, Revera retirement residences, long term care homes and the support office are pleased to prominently display a Legion poppy pin box to raise funds in support of the Legion's Poppy Campaign. "The vast majority of people who call Revera home either served in, lived through or were impacted by at least one world war. Honouring and supporting our Veterans, and those who contributed to Canada's war efforts is important to us," said Thomas G. Wellner, President and Chief Executive Officer at Revera.

"We are pleased to count Revera as one of our Member Benefits Package partners. We are also particularly pleased with their annual fundraising campaign to promote Remembrance and help raise funds to help Veterans in need. It is through these local initiatives that we are able to make a difference in the lives of Veterans in their own communities," says Royal Canadian Legion Dominion President, David Flannigan.
